

OLM School Friends of Mercy

Children's Book Drive

OLM School students (fourth to sixth grade) from "Friends of Mercy" school group promote Works of Mercy in the spirit of Mother Catherine McAuley, Foundress of the Sisters of Mercy.

Over the next two weekends (March 5/6 & March 12/13), they are collecting new and gently used children's books to be donated to less fortunate children at Hasbro Children's Hospital. New books are sent home with children and others are placed in doctors' waiting rooms. We are looking for books from the age of toddlers to older teens.

Please drop your books in the collection bin located in the vestibule of the Church. Thank you for your support in this Friends of Mercy Work of Mercy. For more information, please contact Ms. Jean Perretta at jperretta@olmschool.org

Thank You for Your Generous Support!
