**We must

 with our
 prayers.
 -St. Padre Pio**

Dear Parishioners:

October is upon us and with it comes the fall weather, the colorful foliage, and football! However, as Catholics the Month of October means Respect Life Month. A time to pray and work for an increased respect for all human life from natural conception until natural death.

Of course, there is much prayer and work needed to move our society from a culture of death to a culture of life. Pope Francis has stated: *"All too often, as we know from experience, people do not choose life, they do not accept the 'Gospel of Life' but let themselves be led by ideologies and ways of thinking that block life, that do not respect life, because they are dictated by selfishness, self-interest, profit, power and pleasure, and not by love, by concern for the good of others."*

While we enjoy the right to life, we also each have the obligation to defend it for others especially the most vulnerable in our society. Pious words about human dignity are empty unless we do something to make them happen. We are called to act on our convictions in proclaiming the Gospel of Life.

One practical way is to support the Baby Shower we are holding this weekend at OLM. All of the baby items are given to women who are in a crisis pregnancy and have chosen human life rather the going to the abortion mills at Planned Parenthood.

Planned Parenthood often

portrays itself as an organization that is concerned with *"women's reproductive and preventative healthcare."* However, the truth is that it makes millions of dollars from abortions. Last year they ended the lives of over 300,000 innocent unborn children. However, we know that pregnancy is not a sickness and abortion is not really a form of preventative healthcare but rather the direct killing of an unborn child.

Far too many of our political candidates and elected officials, very sadly many of them Catholic, not only support abortion and ally themselves with Planned Parenthood but they also want us to pay for abortions with tax dollars and fund the abortion mills like Planned Parenthood. Shockingly some even advocate that abortion should be legal right up until the ninth month of pregnancy!

October is a time that we draw ever closer to the Lord Jesus in prayer and in the sacraments. We must ask the Lord for the grace to see ourselves and others as He sees us: children created in His image and likeness. So I urge you during this Respect Life Month of October to pray with greater fervor for an increase in the respect for all human life.

Each Monday night at 7:00PM during this month we gather together before the Eucharistic Lord and pray the Rosary. Our October Devotions are to be offered for an increased protection for human life and respect for human dignity. It is

truly a wonderful opportunity for each of us to bear witness to the Gospel of Life with prayer and devotion.

Practically we must also continue to support pro-life initiatives like Project Gabriel and Project Rachel that our Diocesan Family Life Office sponsor. We can also support the many good works of RI Right to Life who educate and advocate for life. And finally, we must consider where our political candidates and elected officials stand on the issue of life.

Last Sunday night over twenty-five high schoolers gathered with Father Connors for "Pizza with Padre." They prayed before the Blessed Sacrament, reflected on a theological topic with Father Connors and then enjoyed some great pizza! All OLM high school students are invited to join in this great time on Sundays immediately after 5:00PM Mass. The homework can wait for one hour of prayer, theology and community!

I invite all the men of OLM Parish to join us this Tuesday for Movie Night sponsored by the Men of St. Joseph. It should be a night of fun and fellowship. Also, I offer my thanks to the many parishioners who were so generous to our Annual Collection. It is a great start for this critical collection. Please pray for Life this Month. See you at Monday Devotions. Pray for the Pats too! God Bless.

Father Healey

Dear Fr. Connors: I haven't been to Confession in a long time. I don't know what I need to do.

I hear this question all the time. The answer is very simple: decide to go back to Confession. The practicalities of what exactly to do are not as important as the firm decision to simply go back to Confession.

Here at Our Lady of Mercy confessions are heard every Saturday an hour before the evening Mass, whether at 4:00pm during the summer or 3:00pm during the winter. Also, confessions are heard every Monday evening at 6:00pm.

When you go to Confession, you should say: "Bless me Father, for I have sinned. It has been [however long it has been] since my last Confession." A best estimate is just fine, whether a year, ten years, twenty years—whatever it has been.

Then one should say very simply what sins he or she has committed. One should mention any circumstances that change the nature of the sin. For example, stealing an apple is different than an automobile. Similarly, one should give some sense of how frequently one fell into this sin, i.e. missing Sunday Mass one time is different than not going for many years. One must confess their grave sins in kind and number, that is, what exactly the sin was and about and how often it was committed.

The reason for all this is simple. We are confessing our actual sins, not some general sense of seeking God's forgiveness but that actual, real world ways in which we have offended God. After saying one's sins, the priest will give some counsel and then give a penance, usually some prayer to be said. One is then asked to say the Act of Contrition and receives absolution. If you forget the Act of Contrition that is okay too. It simply concretizes our sorrow for our sins.

The longer one has been away the more important that they go. There is absolutely no reason to be afraid. No one will yell at you. You will be welcomed into God's loving embrace. It is the often neglected key to growth in the spiritual life. God's mercy awaits us in there.

If you have a question for Fr. Connors about the Catholic Faith or a matter of Church Teaching, please email him at associatepastor@olmparish.org

In this memoir, set as deeply in his mind as in the Southeast Asian jungle, a young American soldier embarks on a journey to a war that, for him, will never be over.

The world was a playground for Mickey, a naive Irish American kid bored with his life. His father served in World War II, his brother was a Marine in Vietnam; now it was his turn. His 365 days in Vietnam builds in torment until an attack on a bunker complex in Cambodia. Wounded, his friend captured, he becomes a tormented survivor knowing he is always just a heartbeat from death.
