 -St. Padre Pio**

Dear Parishioners:

If you didn't make it to the Parish Picnic last Sunday, you missed a great afternoon of fun! Our own Father Connors not only rode a 4 foot high unicycle but also juggled while doing so! It was a great day for our young Associate Pastor as his team also won the "Tug-of-War" against my much older and weaker team!

There was a whole lot of fun for the couple of hundred parishioners who turned out for the festivities. We thank all those who worked so hard in preparing for the Picnic, working during the Picnic and cleaning up after the Picnic. In particular we thank our crack OLM Maintenance Staff led by Paul Anderson and Dave Belanger. We must also thank our Knights of Columbus for sponsoring the hamburgers and hot dogs (we served around 400!) and cooking all afternoon. Also, we thank the Galleshaw Family of Wright's Chicken Farm for lending us their tent for the day.

Many others cooked and brought food and we are grateful for all those who helped to make the Parish Picnic a great day for all! We must also thank God who provided good weather for almost the entire time of the Picnic. It didn't rain until almost 4:00PM and then only for a short amount of time. God is good and we thank Him for providing us a beautiful day of faith, family and friendship!

On Monday we had a good turnout for Father Chris Maher's talk on the meaning of Mercy. His talk was inspirational

and provided much food for thought for us who worship at Our Lady of Mercy Church.

Tuesday was a great night of music with our very talented Adult and Children's Choirs singing some truly beautiful hymns, and songs, dedicated to Our Lady. We are truly blessed to have such wonderful choirs and also such talented musicians as our organist Henri St. Louis and our soloist Deirdre Donovan.

On the Feast of Our Lady of Mercy, we had a solemn celebration at 7:30AM Mass and a festive gathering immediately afterwards. We give thanks to God for the blessings of our faith, our parish family, and we continue to turn to our patroness, Our Lady of Mercy, to intercede for us and our parish. May she continue to lay her mantle of love and protection upon us! Our Lady of Mercy, pray for us!

This weekend we take up our Annual Parish Collection at all Masses. This important collection helps us continue to provide for much needed capital improvements and maintenance projects. We are finalizing the installation of a new natural gas boiler for our Church. The cost of this project is nearly \$40,000. It includes the removal of the old oil burner that is on it's last legs and the installation of a new highly efficient natural gas burner. This change will bring us great savings on our heating bills as the cost of natural gas is far less than heating oil. We spent over \$30,000 heating the Church last winter!

We also are planning to

replace the old oil burner in the Rectory but it is much more involved as it requires removal of asbestos material. Of course this means it will be more costly too. We are still reviewing the bids for this project and unfortunately will not be able to begin it until the spring.

I've received many compliments on the new landscaping around the parish and school. Mercy Park certainly looks beautiful and more inviting! We are grateful to OLM Parishioner John Pontarelli and Proscap Landscaping for their generous work on the project. Also, we thank Kyle Alfred who provided the landscape design and oversaw the planting of the new flowers, bushes and trees.

Our new parish sign is up and hard to miss. It comes complete with an accurate Mass schedule and is quite well lit at night. We hope to put the old parish sign, now newly refurbished, up very soon in another location. The new sign and new trees around Mercy Park are available to be memorialized. If any parishioner cares to dedicate them in memory of loved one, please contact me at the Parish Office.

Once again I offer my sincere thanks for your generous response to the Annual Collection. Without your continued generosity OLM wouldn't be such a beautiful and lively parish. God Bless. Go Pats!

Father Healey

Dear Father Connors:
When a person dies does he or she become an angel?

No, a human being is always a human being. It is funny how often I hear this question. Both young and old are sometimes confused about the difference between humans and angels.

Human beings are made of bodies and souls. Giving humans bodies was not a mistake or an accident. It is part of human dignity. God Himself in fact took on a human body in the Incarnation. In death we do not escape the body. We believe, instead in the resurrection of the body. At the end of time, in Heaven or Hell we will have bodies.

The dogma of the Assumption of the Blessed Virgin Mary teaches that Mary already enjoys what is promised to us; namely to enjoy the vision of God in Heaven—body and soul. At the end of her earthly life Mary was assumed—body and soul—into Heaven.

Angels, on the other hand, are pure spirits. Angels do not have bodies. They may take on a certain appearance to announce a message from God, as the angel Gabriel did to Mary. The essence, however, of being an angel is to be a pure spirit.

So, humans will always be humans and angels will always be angels. It is a metaphysical impossibility for a human being to become another thing entirely. What it means to be a human is to have a body and soul. Thus a human cannot become an angel or it wouldn't be a human being anymore. In a word, you would not be you if you were an angel.

The confusion surrounding this matter is part of a greater confusion in our culture. It is part of an effort to escape nature, to abandon the given-ness of the nature of things. We do not create or remake everything. Instead, we discover, receive, and accept what nature has given. In this case, it is the nature of what it means to be a human person or an angelic one.

If you have a question for Fr. Connors about the Catholic Faith or a matter of Church Teaching, please email him at associatepastor@olmparish.org

In this memoir, set as deeply in his mind as in the Southeast Asian jungle, a young American soldier embarks on a journey to a war that, for him, will never be over.

The world was a playground for Mickey, a naive Irish American kid bored with his life. His father served in World War II, his brother was a Marine in Vietnam; now it was his turn. His 365 days in Vietnam builds in torment until an attack on a bunker complex in Cambodia. Wounded, his friend captured, he becomes a tormented survivor knowing he is always just a heartbeat from death.
