Dear Parishioners:

I hope you had a happy Independence Day last weekend. Summer is a time of change in the weather, and very often our routines. The warm and sunny weather is a time to relax. We can sit back in the yard, at the beach, or in the park. We take up bike rides, swims and walks, go golfing or boating. All this is routinely unavailable at other times of the year.

But it is often a time to change in different ways. We typically say "Goodbye" to people who are leaving our workplaces or schools. So it is here at OLM as we acknowledge a few folks who are graduating or retiring from service at OLM!

We offer our thanks, prayers, and congratulations to OLM School employees Carolyn MacCrae and Donna Campbell. Carolyn has been our OLM Bookkeeper for many years, and Donna has served as our OLM School Art Teacher for nearly 20 years. They are retiring after many years at OLM, and we thank them for their service. May God Bless them with health and happiness!

Also departing from the OLM School Faculty are 5th Grade Teacher Ashley McCarthy, and our Librarian and Reading Teacher Christie Cambio. We are grateful to them for their dedication to OLM's budding saints and scholars and wish them well in their new endeavors.

Also, our longtime Parish Trustee, Bill Wray, who has served OLM since 2008, is stepping down from this role. We are grateful for his service, advice and wise counsel to our parish over these years.

His knowledge, expertise, and experience have been a tremendous asset to our church, and I am personally grateful for his sage advice over the years. In your name, I offer our sincere thanks for his loyal and loving service to God and to OLM Parish. We wish him well as he and his wife, Nancy, spend more time traveling to visit with their wonderful family!

I am happy to announce that Bishop Tobin has accepted Bob Duffy as our new Parish Trustee. Bob and his wife, Sharon, have worshiped here at OLM for many years and are longtime parishioners. Their seven children attended OLM School, and also served Mass.

Bob has served on our OLM Finance Council for many years and is a distinguished attorney. He has provided wise counsel over the years, but even more importantly, Bob is a man of deep Catholic Faith. I am genuinely grateful for his willingness to take on this important responsibility in our parish.

We say farewell to a few of our OLM Senior Altar Servers. John Curran, David Delbonis, Jack Devine, and Matthew Simonetti have served God's altar for eight years. We are grateful for their dedicated, reverent, and dutiful service.

They have graduated high school and head off to college, and as they do, we thank them and promise our continued prayers for them! May God bless them with a lively faith, and may they continue to serve Him with dedication, holiness and zeal.

We wish all these members of our OLM family well in their future endeavors,

and we thank them for their service to our parish and school. We pray that: *"The Lord bless them and keep them; The Lord make His face shine upon them and be gracious to them; The Lord lift up His countenance upon them, And give them peace."*

Summer, even with restrictions of the pandemic, is still an excellent time to change our routine and take some time for rest and relaxation. Perhaps spend time in prayer and reflection, take a hike, a long walk, a swim at the beach, or read a book. These things can be prayerfully done even in a pandemic!

St. Pope John Paul the Great said: *"Vacations, holidays, must be wisely used to benefit the individual and the family through contact with nature, tranquility, the opportunity to foster greater family harmony, good reading, and healthy recreational activities; above all, through the possibility of spending more time in prayer, in contemplation and in listening to God."*

Summer is indeed a time for rest, but it is not a time of rest from the Lord. We must use this restful time for more prayer and reflection with the Lord. Summer Time is a call to joyfully live our Catholic Faith while resting in the Lord. So this summer, perhaps more than before we should find rest in the Lord! Stay safe. Be Well. Do Good! God Bless.

*Father Healey*

**A Victory for Parents and Students**

On June 30, 2020 the Supreme Court ruled in *Kendra Espinoza v. Montana Department of Revenue* that it is unconstitutional to discriminate against parents because they send their children to a religious school. This means that parents can receive aid from the government even if they send their children to a private school.

The reason the Supreme Court ruled on this issue goes back nearly 150 years ago. In 1875 Republican Congressman James Blaine of Maine proposed an amendment to the Constitution prohibiting the use of state funds at “sectarian” schools (i.e. religious and private schools). The amendment passed overwhelmingly in the House but failed in the Senate.

Regardless, certain states (notably Massachusetts and 37 other states) adopted Blaine Amendments in their own state constitutions. As Supreme Court Justice Samuel Alito explains, “the amendment was prompted by virulent prejudice against immigrants, particularly Catholic immigrants.” One series of newspaper articles at the time argued, “Popery is the natural enemy of general education.” Public schools then and now, were not neutral on matters of religion. In 1875 Public schools “were culturally Protestant and with curriculum[s] and textbooks that were, consequently, rife with material that Catholics and Jews found offensive.”

The importance of this ruling cannot be understated. This issue usually falls under movements called “School Choice” and vouchers for families. Programs such as textbook loaning, free breakfast, free busing, and tuition assistance through scholarships are prohibited in states with Blaine Amendment type legislation. Such programs and assistance enable tax paying families, particularly those with lower income, to send their children to schools of their choice. As a result, parents and children are not forced to attend underperforming schools or schools which indoctrinate children simply based on their zip code address or their amount of wealth.

We are fortunate in Rhode Island that there are no Blaine Amendment like laws on the books due to the work of lobbyists such as our own Fr. Healey. That does not mean that we can remain complacent. In 2010 State Education Commissioner Deborah A. Gist proposed to eliminate state money for the textbook loan program for the parents of private and parochial school children. Such proposals harken back to Senator Blaine and restrict the freedom of families and the wellbeing of children. Given the financial hardships caused by COVID-19, Catholics and other families who attend private or charter schools should be on the lookout for violations against their ability to choose which school to attend. In addition, more can be done to ensure that every family has the resources necessary to attend schools which will truly benefit their children. This is especially true for Catholics given the increasingly hostile take over of our public schools by radical progressive ideologies that directly contradict Church teaching.

# Our Lady of Mount Carmel | 12TH CENTURY FEAST DAY: JULY 16

**M**ount Carmel, which juts out into the Mediterranean near Haifa, Israel, has been considered a sacred place since the prophet Elijah built an altar there in his contest with the prophets of Baal. The Carmel headland is traditionally associated with the beginnings of the Carmelite order around 1195, when a group of lay hermits formed a community there. Mary had been honored there as early as the fifth century, and by the 12th century Mount Carmel had become a site of Marian devotion. The Carmelites chose Mary as their protectress and dedicated their oratory on Mount Carmel to her. Our Lady of Mount Carmel is the patron of Bolivia and Chile. This Marian feast became an optional memorial in the Revised Roman Calendar of 1969.

## Don't Forget Your Priest!
